Helen Marshall

BDS (UK), MFDS RCS(Ed), Dip ConSed

Information for Patients

Helen graduated from Newcastle Dental School with distinction in clinical dentistry in 2007 and joined our team in Hexham in April 2011.

Following graduation Helen then completed 2 years General Professional Training at Newcastle Dental Hospital. In 2009 she became a member of the Royal College of Surgeons of Edinburgh, and sat on the Young Dentist committee both in the North East and centrally for the BDA.

Helen spent a year as a Senior House Officer in the Oral and Maxillofacial Surgery Department in Middlesbrough: a steep learning curve which involved on-call, assisting in large facial and jaw operations in theatre, and providing minor oral surgery.

Also during this year Helen completed the Diploma in Conscious Sedation for Dentistry.

Helen loves working in general practice, and is keen to develop her restorative and implant skills at Hexham Dental Clinic. An anxious patient herself, Helen likes to help patients feel comfortable so that they hopefully leave with a confident smile!

Away from dentistry, Helen's passion is being outdoors. At university she rowed for the boat club and competed at the Henley Regatta. Helen also enjoys walking, swimming and running locally, and snowboarding and scuba diving further afield - she is always planning her next adventure!!

This year's challenge is the RYA Dayskipper sailing course. Of course, this all needs fuelling (normally with baking) and rest (with a film or a good book!).
